

LEADING IDAHO WITH TRANSPORTATION

District 5 Corridors

What Projects Will Be Funded by the Leading Idaho TECM Program?

Governor Little's Leading Idaho vision allows ITD to take a deliberate approach to advance projects within the corridors that will enhance safety, mobility, further strengthen Idaho's strong economy and positively impact communities across the state for years to come. Focusing on corridor advancement will give the Transportation Board the flexibility to approve projects that address Idaho's rapid growth issues with either the Transportation Expansion and Congestion Mitigation (TECM) funds or other state or federal funding that becomes available in the future.
